Your benefits at VGZ Werkt

Modernising the healthcare sector is more important than ever. So that you can get the best care. Now and in the future. But we do not do this alone.

For example, we also work with **VNPF** to offer you the most suitable healthcare insurance. The main advantages of VGZ Werkt are:

Eva Eikhout,
Healthcare Innovation
Ambassador

A **20% discount** on your supplementary insurance and a **15% discount** on your dental insurance

Extra generous reimbursements for physiotherapy, dental care and orthodontics

A discount on **exercise and healthcare products** such as fitness items

A **personal healthcare budget** of up to €700 for a work and lifestyle programme, for example

Personal advice from a Mental Fitness coach

A healthier work-life balance with the **Mindful Working programme**

Don't need as much care?

Care is very personal. That is why you can choose between two different healthcare insurances: VGZ Werkt and VGZbewuzt.

Do you expect to need little care, and do you prefer to arrange everything online? Then you might want to consider VGZbewuzt.
